In re Patent No. 7,072,833	:	OFFICE OF PETITIONS
Issued: July 4, 2006	:	
Application No. 09/866,595	:	PATENT TERM ADJUSTMENT
Filed: May 30, 2001	:	
Dkt. No.: 1263.1751	:	

This is a decision on the "REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705(d)," filed September 1, 2006.

The application for patent term adjustment ("PTA") under 37 CFR 1.705(d) is **GRANTED**.

The above-identified application matured into U.S. Patent No. 7,072,833 on July 4, 2006. The instant request for reconsideration was timely filed in accordance with 37 C.F.R. § 1.705(d). The patent issued with a PTA of 498 days. Patentee argues that the application is entitled to an adjustment of 548 days.

A review of the application history reveals that an adjustment of 765 days can be attributed to the Office. This determination is undisputed by patentee.

The adjustment of 765 days was reduced 267 days for applicants' failure to engage in reasonable efforts to conclude prosecution.

Patentee disputes the reduction of 50 days in connection with a request for an examiner initialed IDS Form 1449 that was submitted February 27, 2006. Patentee argues that the request for an examiner initialed IDS Form 1449 was made on two separate occasions prior to the last request of February 27, 2006. Specifically, patentee argues that the requests were made on May 16, 2005 and November 14, 2005.

A review of the official application file does indicate that requests for an examiner initialed IDS Form 1449 were made prior to the February 27, 2006 request.

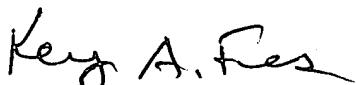

In view thereof, the reduction of 50 days accorded in connection with the request for an examiner initialed IDS Form 1449 made on February 27, 2006 is not deemed a failure to engage in reasonable efforts to conclude prosecution within the meaning of 37 CFR 1.704(c)(10).

In view thereof, at the time of issuance, the application was entitled to a patent term adjustment of 548 days as argued by patentee.

Receipt is acknowledged of the required PTA application fee of \$200.00.

This application file will be forwarded to the Certificate of Corrections branch for issuance of a certificate of correction to indicate that the term of this patent is extended or adjusted under 35 U.S.C. 154(b) by 548 days.

Telephone inquiries specific to this matter may be directed to Petitions Attorney Alesia M. Brown at (571) 272-3205.
